

Serving Our Seniors' Hearing Aid Project

Serving Our Seniors is “**testing**” the feasibility of making hearing aids affordable. Serving Our Senior is accepting donated over-the-ear hearing aids and having them refurbished. The hearing aid is then made available to Erie County residents age 60+ based in their ability to afford.

If you or someone you know has hearing loss and can't afford new hearing aids, CALL SERVING OUR SENIORS to request an application for the “Hearing Aid Project”.

DONATE YOUR UNWANTED HEARING AIDS TO:

SERVING OUR SENIORS 310 E. BOALT STREET
